About Us

TNPESU University Library was established in 2007 and, until 2017, functioned in a temporary building provided in the administrative and academic blocks. In 2018, the University Library shifted to a permanent building with a total carpet area of 6772 sq. ft. (629.11 sq. m.) on the western side of the university campus. This area is divided into the following sections: circulation, technical processing, reading hall, e-library, periodicals, stack, and thesis section. The University Central Library occupies an indispensable place in the Tamil Nadu Physical Education and Sports University, which enhances teaching, research, and development activities. It is a lively department on campus, providing resources in a user-friendly environment to enable learning and the advancement of knowledge, and thereby discovering new insights in the entire academic programmes offered at this university.

Mission

The mission of this University Central Library is to facilitate the creation of new knowledge through the acquisition, 4rganization, and dissemination of knowledge resources and to provide value-added services to university clients.

Vision

"To provide quality published literature and library services in time."

To achieve this vision and mission, the university library has procured resources, included in stacks, technically processed, shelved, circulated, added theses, and rendered several services during the year 2023 – 2024. Which are listed in the annual report.
