

## LIST OF TABLE

Table No	Particulars	Page No
I	Plyometric Static Stability Testing .....	50
II	Test Selection .....	54
III	Intra Class Co-Efficient of Correlation on Selected Dependent Variables .....	55
IV	Paired Sample 'T' Test of Plyometric, Weight, Combined Training And Control Group on Selected Dependent Variables ....	68
V	Levene's Test of Equality of Error Variances on Selected Variables Among Groups .....	78
VI	Analysis of Covariance Computed For Plyometric Training Weight Training Combined Training and Control Group For Selected Dependent Variables .....	79
VII	Scheffe's Post Hoc Paired Means Comparisons on Speed of Experimental Groups .....	80
VIII	Scheffe's Post Hoc Paired Means Comparisons on Explosive Power (Horizontal) of Experimental Groups .....	83
IX	Scheffe's Post Hoc Paired Means Comparisons on Dribbling of Experimental Groups .....	94
X	Scheffe's Post Hoc Paired Means Comparisons on Passing of Experimental Groups .....	97
XI	Scheffe's Post Hoc Paired Means Comparisons on Shooting of Experimental Groups .....	100
