

Figure No	LIST OF ILLUSTRATIONS	Page
1	Give and go	89
2	Circle drill	90
3	In and out	91
4	Give and go	92
5	Pass and shoot	93
6	Circle passing combination drill	94
7	Dribbling relay	94
8	Pass and control	95
9	Marching on the spot	97
10	Power walk	98
11	Alternate toe touch (front)	99
12	Front kick	102
13	Bar diagram showing the pre, post and adjusted test means of speed	110
14	Bar diagram showing the pre, post and adjusted test means of agility	114
15	Bar diagram showing the pre, post and adjusted test means of endurance	118
16	Bar diagram showing the pre, post and adjusted test means of vo ₂ max	121
17	Bar diagram showing the pre, post and adjusted test means of body fat percentage	125
18	Bar diagram showing the pre, post and adjusted test means of ve pulmonary ventilation	128
19	Bar diagram showing the pre, post and adjusted test means of creatinine	132
20	Bar diagram showing the pre, post and adjusted test means of uric acid	135
21	Bar diagram showing the pre, post and adjusted test means of serum cholesterol	139
22	Bar diagram showing the pre, post and adjusted test means of hematocrit	143
23	Bar diagram showing the pre, post and adjusted test means of lymphocyte	146
24	Bar diagram showing the pre, post and adjusted test means of hemoglobin	150
